

Financial Accounting & Reporting Update for Corporate Accountants Self-Study Webinar (22 Hours)

SA06223B
SA062

Self Study Webcast
Dec 20 - Dec 21

Overview:

New, more complex accounting issues and disclosures create challenges for today's busy financial executives. In this problem-solving self-study webinar, you will:

- Gain real-world knowledge of the latest rule changes from the SEC, FASB and more
- Compare new and existing standards and determine how changes impact you
- Get prepared for future changes
- Identify COVID-19 issues

Objective:

This self-study webinar reviews new financial accounting and reporting requirements from the FASB, IASB, AICPA, SEC and other rulemakers. It examines the rulemakers' current activities and thinking. It also shows you the expected impact and what you need to do to stay compliant.

[Detailed Learning Objectives](#) [1]
