

Business Law for Accountants Self-Study Webinar (2 Hours)

S0138223E
S01382

Self Study Webcast
Dec 20 - Dec 21

Overview:

Business law has changed dramatically in recent years. Are you still up to speed? Accountants need a current working knowledge of key business law concepts to spot potential problems and avoid legal land mines. This self-study webinar provides a refresher and update of the most common legal issues you're likely to confront.

Objective:

To provide the accountant a refresher on legal issues frequently encountered by businesses. You'll be equipped to identify and resolve issues before they become expensive problems in such areas as contract law and tort liability. All concepts are clearly explained from a business standpoint.
