ST12423I ST124

Self Study Webcast Dec 20 - Dec 21

Overview:

This self-study webinar is for tax professionals who want to explore the most complex partnership rules. In this practical self-study webinar, you'll cover special allocations of income, loss, gain, deductions and distributions through in-depth case studies. You will:

- Gain an in-depth understanding of Section 704(b) regulations
- Review the exceptions to Section 721
- Analyze the allocation of liabilities between partners under Section 752
- Work through examples of special allocations under both Sections 704(b) and 704(c)
- Calculate the asset step-up allowable under Section 754
- Review terminations, liquidations and transfers of partnership interests

Objective:

To provide tax practitioners who prepare partnership returns or advise clients on partnership issues with in-depth knowledge of complex tax allocation rules, especially under Sections 704(b) and (c). Using case studies, participants will analyze partnership agreements, learn to avoid tax surprises and be able to advise clients to assure correct returns.
