Self Study Webcast
Dec 20 - Dec 21

Overview:

Amendments to FASB's Accounting Standards Update (ASU) 2017-04: *Intangibles—Goodwill and Other* (Topic 350)—*Simplifying the Test for Goodwill Impairment* reduce the cost and complexity of evaluating goodwill for impairment, while aligning with IFRS. This program reviews the new goodwill impairment testing procedures, including:

- Fair value measurement and changes to the disclosure requirements for fair value measurement
- Goodwill impairment and deferred tax considerations
- Fair value and goodwill SEC comment letters
- Private company and not-for-profit intangible and goodwill accounting alternatives

Objective:

To update financial professionals on the accounting and disclosure rules associated with goodwill impairment testing and deferred tax considerations.
