

Current Accounting Issues for Not-for-Profit Organizations Self-Study Webinar (11 Hours)

SA12423K
SA124

Self Study Webcast
Dec 20 - Dec 21

Overview:

This self-study webinar is designed for accountants who want to remain on the cutting edge of the most recent accounting, tax and federal developments affecting not-for-profits. You'll be equipped to:

- Follow the accounting standards and guides for not-for-profits
- Understand recent guidance revising NPO financial statements and treatment of Net Assets
- Review the latest tax rules and regulations pertaining to not-for-profits, including Form 990

Objective:

To provide an understanding of the accounting standards affecting nonprofits. Focusing primarily on implementing and using current authoritative literature, this self-study webinar discusses the latest issues regarding NPO mergers and NPO goodwill treatments. You'll also gain insight into tax changes and other current issues impacting nonprofits.

[Detailed Learning Objectives](#) [1]
