Self Study Webcast
Dec 20 - Dec 21

Overview:

The focus on Environmental, Social, and Governance issues (ESG) continues to accelerate as investors and other stakeholders seek to understand and assess material ESG factors in their investment, purchasing and employment decisions. ESG investment strategies already make up a large portion of US assets under professional management, and are poised to rise even higher.

Objective:

This self-study webinar will address key drivers demanding corporate attention on ESG, and how financial reporting teams can help companies identify, assess, and disclose ESG issues in ways that increase trust with stakeholders and enhance corporate reputation and long-term value.

SPEAKERS:

Stuart Block, ESG Consultant, Founder, Sustas LLC

Jonathan Gregory, North America Controller, M&A & ESG Accounting, The Hershey Company

Robert Hirth, Senior Managing Director, Protiviti, Standards and Emerging Issues Advisory Group, PCAOB

Amanda Kraus, Climate Change & Sustainability Services, Partner, Ernst & Young
