Self Study Webcast  
Dec 20 - Dec 21

## Overview:

Federal tax laws can be treacherous, even for the seasoned tax practitioner, with a minefield of hidden complexities and ever-changing tax rules and forms. This program is for experienced professionals who want to delve deeper into certain key areas of taxation and master their intricacies. All topics will be reviewed along with actual tax forms to make this self-study webinar a practical hands-on workshop. You will:

- Get updates on newest planning techniques for business entities and individuals
- Advise your clients on the latest tax changes and opportunities included in the Tax Cuts and Jobs Act
- Interact with your colleagues to discuss current tax issues affecting your practices and clients
- Review and analyze new tax forms hot off the IRS press

## Objective:

To update experienced tax professionals on specific critical areas of the federal tax code, and show them how to effectively handle these important issues and complete the required tax forms.
