Self Study Webcast
Dec 20 - Dec 21

Overview:

The Section 199A Deduction in the Tax Cuts & Jobs Act of 2017 offers a substantial break for qualified individuals and pass-through entities. However, the law itself is vague and ambiguous. The final regulations, revenue procedures and notices recently issued by the IRS provide definitive guidance. In this comprehensive, self-study webinar, an expert will:

- Guide you through the maze of rules and definitions to help you compute tax deductions and prepare the various tax forms, schedules and worksheets
- Help you apply the rules for rental real estate
- Provide you with the requirements and rules for aggregation, as well as specific examples illustrating compliance
- Explain definitions, computations and regulations for Specified Service Trades or Businesses (SSTB) relating to Section 199A
- Cover Computational and Reporting Rules for RPEs, PTPs, Estates and Trusts
- Share a host of planning strategies to help business owners and pass-through entities maximize the tax benefits

Objective:

To provide accountants and tax professionals with an in-depth examination of Section 199A, and guidance on applying IRS final regulations and revenue procedures on computations and deductions of qualified business income for sole proprietors, partnerships, S corporation shareholders, qualified real estate investors, trusts and estates. This self-study webinar will also enable you to identify when rental real estate is entitled to the Section 199A deduction, and understand the proper application of aggregation. You'll also have the opportunity to pose your questions for answers to your specific challenges.
