

Single Audits of Government-Funded Activities Self-Study Webinar (11 Hours)

SA05324B
SA053

Self Study Webcast
Dec 20 - Dec 21

Overview:

Auditors and finance personnel of government and not-for-profit organizations need a practical approach for reporting on single audits. This targeted, self-study webinar will provide you with a framework for this process. You will:

- Learn how to comply with the Single Audit Act, the Yellow Book, and Uniform Guidance
- Understand appropriate rules and regulations
- Review relevant accounting and auditing guidance

Objective:

To provide financial professionals who serve or audit government and not-for-profit organizations with a systematic approach to reporting on single audits. You will learn about the roles and responsibilities associated with single audits and how to comply with all relevant rules and regulations.

[Detailed Learning Objectives](#) [1]

Emphasis:

- Uniform Guidance
- Auditor independence, including the most recent independence rules
- Who is subject to a Single Audit
- Differentiating among recipients, subrecipients and contractors
- Responsibility for detecting fraud
- Evaluating internal controls and internal control structure
- Sampling and testing
- Monitoring subrecipients
- Determining major programs using risk analysis
- Report content and filing requirements, including the Schedule of Expenditures of Federal Awards (SEFA)
- Annual Compliance Supplement
- Impacts of COVID-19 on reporting

¹ Identify the entity responsible for the preparation of Government Auditing Standards (GAS)

² Identify the professional standards applicable to Single Audits

³ Recognize the current guidance provided by the Single Audit Act, the Yellow Book, and GAS and apply the Single Audit requirements

⁴ Recognize the components of a Single Audit

⁵ Recognize the GAAP standards incorporated into GAS

Single Audits of Government-Funded Activities Self-Study Webinar (11 Hours)

Published on CPE INC. (<https://www.cpeonline.com>)
