

Compilations & Reviews: A Practical Approach Self-Study Webinar (11 Hours)

SA07024B
SA070

Self Study Webcast
Dec 20 - Dec 21

Overview:

Public accountants tasked with generating compilations and reviews need a systematic approach to generating these documents. This targeted, self-study webinar will focus on the key factors you need to consider when putting together a compilation or review. You will:

- Gain an in-depth review of SSARS
- Discuss “review evidence” and review procedures
- Identify departures between GAAP and OCBOA

Objective:

To provide CPAs with the confidence to generate compilations and reviews that are thorough enough to meet professional standards, efficient enough to complete in a timely manner and effective enough to avoid deficiencies.

[Detailed Learning Objectives](#) [1]

Emphasis:

- SSARS 19 overhaul of compilations and reviews
- SSARS 21 Clarity Project
- Recent updates and interpretations
- Limited assurance
- Reviews: evidence, procedures and SSARS 20
- Issues and disclosures regarding independence
- Documentation, materiality and ethics
- Other Financial Reporting Frameworks and comparison to GAAP, including treatment of departures
- Comparative statements
- Scope limitations and elimination of management-use-only statements
- Changing accountants
- Common peer review deficiencies
- Association with financial statements
- Preparation engagements
- Compiling pro-forma or prospective financial information

1. Identify the components of a compilation or review.

2. Identify the components of a compilation or review.

3. Identify the components of a compilation or review.

4. Identify the components of a compilation or review.

Compilations & Reviews: A Practical Approach Self-Study Webinar (11 Hours)

Published on CPE INC. (<https://www.cpeonline.com>)
